COUNCILLOR WARD 1
TOWNSHIP OF MINDEN HILLS

I grew up in Minden since I was 4 years old. I was hired as an employee of the Township of Minden Hills in 1988, first as boots on the ground, serving as Parks Manager, Arena Attendant, Volunteer Firefighter, Water and Sewer Operations and worked my way to Environmental and Property Operations Manager as well, I sat on the Emergency Management Committee - spanning a very proud 31 years.

My experience, knowledge and skills will be a great asset as Councillor Ward 1 and I would be honoured to have your vote.

- ~ **AFFORDABLE AND ATTAINABLE HOUSING** - Allow tiny homes and secondary units by adjusting our current Zoning By-law. Create affordable and attainable housing for all.
- ~ **SHORT TERM RENTALS** - These are great for our economy and bring revenue to our town and small businesses, however lets regulate and licence these while focusing on septic systems, noise and abiding by current by-laws.
- ~ **COMMUNITY ENGAGEMENT** - Lets keep people informed and involved on township matters as well as provincial matters. Create activities/events in town to draw people in to take part of.
- ~ **STAFFING** - A staff succession plan and acknowledgment of staff. It only takes 17 muscles to smile and a thank you goes a long way.
- ~ **SHORELINE PRESERVATION** - While this is currently in the works at the county level, work still needs to be done to allow more flexibility on preserving the shoreline and not making it impossible to work with.
