BIGBOB LODGE

*In the Heart
of the
Haliburton Highlands*

Restful

The Highlands of Haliburton slogan, "Nature at its Rugged Best" is truly exemplified at Bigbob Lodge. The Lodge and Cabins are surrounded and shaded by beautiful white birch and cool evergreens, and so situated that they command a picturesque view of one of Haliburton's most beautiful lakes.

Bigbob Lodge, with its atmosphere of friendliness, is a "Family Lodge" which accommodates twenty-three guests to whom the hosts give individual attention — a point which goes a long way to create a holiday never to be forgotten.

CABINS

The immaculate, heated Cabins — situated on the waterfront — give an unrestricted view of the beauty of Bigbob Lake.

Large screened windows, inner-spring mattresses and the cool breeze from the lake tend to give you comfort and restful sleep.

MEALS

Generous servings of tempting, delicious, home-cooked meals are served in the Lodge, and extra helpings will be served on request. We are proud of our cheerful, "big family" atmosphere. We do not "stand on ceremony" and dress is completely informal.

If you plan an outing, fishing or a picnic, we will be happy to pack a lunch for you if we are advised the previous day.
